Greetings, Lisa.

Please find attached a letter from the Tonawanda Seneca Nation, Council of Chiefs, regarding a SPDES Permit issued by the DEC.

As you are aware, the development of the STAMP site, will and has brought issues of great concern to the Nation and its people.

It is the duty of the Council of Chiefs to protect our people, our lands and all the resources given to us to continue our way of life.

We appreciate your time and attention to our concerns and look forward to hearing from you at your earliest convenience.

Onch,
Christine G. Abrams
TSN Office Administrator
